Managing Attendance (Special Leave)

1. Introduction

All school employees are paid on the basis of satisfactory attendance and performance. While it's recognised that most employees will occasionally have genuine and acceptable reasons to be absent from work, any absence will cause operational difficulties, undermine quality and efficiency, and increase costs.

It recognises that whilst a certain level of leave may be inevitable, a reasonable balance must be maintained between the needs of the school and the support of the employee requiring time off.

Headteachers or delegated persons have the discretion to agree changes to working patterns to allow staff to make up time by working additional hours. This is subject to operational requirements of the school and if agreed should be kept on personal files for audit purposes.

All leave in relation to sickness should be managed in accordance with the Managing Attendance Policy and Procedure (Sickness Absence).

All other requests for any other leave should be managed under this policy.

2. Aims of the Policy

The aim of this policy is to encourage and assist all employees to achieve and maintain acceptable standards of attendance at work by:

- Providing a safe and healthy working environment and where possible, enhance the health and well-being of employees.
- Equipping all Headteachers and Line Managers to manage leave requests consistently, fairly and in a confidentially transparent manner through the use of clear procedures and guidelines.
- Ensuring that all employees understand their obligations and entitlements with regards to special leave.

3. Scope

This procedure covers all teaching staff employed under the Conditions of Service for

Schoolteachers in England and Wales, including those employed by the

Governors of an Academy and Aided school where adopted. It also applies to Support staff employed in schools and Academies covered under the NJC National Agreement on Pay and Conditions of Service. The procedure will be applied fairly to full time or part time staff and to staff employed on a temporary or fixed term contract regardless of:

- Racial group
- Gender
- Disability
- Marital or civil partnership status
- Sexual orientation
- Age
- Religion or belief
- Transgender
- Trade union membership

This procedure does not apply in respect of staff who employed on a casual basis, including supply teachers.

4. Managing Attendance Procedure

All leave requests should be submitted to the Headteacher or Line Manager on a School Special Leave Request form (Appendix B), for teaching staff, or on selima for support staff, allowing at least one weeks' notice of the requested leave being taken.

For 'other' leave not listed in this policy, a Request for Leave form (Appendix B) should be fully completed by the employee and passed to the Headteacher/ Line Manager allowing two weeks' notice. This should include an explanation for the leave request. The Line Manager (where this is not the Headteacher) should pass this decision to the Headteacher.

When considering applications for 'other' leave not listed in this policy (or discretionary additional leave to types of special leave permissible under this policy) consideration will be given on a case by case basis. Factors to be considered include:

- Consistency of approach
- Personal circumstances of the employee
- Special Leave already taken by that employee in the current academic year and whether this was granted or refused
- burden of additional costs;
- detrimental effect on ability to meet school needs; inability to re-organise work among existing staff; Detrimental impact on quality and/or performance.

Once a decision is made to a request for leave, the Headteacher/ Line manager will notify the member of staff of the decision. This includes whether the request is granted and whether the leave will be with or without pay. The Headteacher's decision is final.

In the event of emergency leave where prior notification is not possible the employee is required to contact their Headteacher/Line Manager in accordance with the school's agreed procedures for reporting sickness absence to their Headteacher or Line Manager. This should be as soon as is reasonably possible but not usually any later than one hour before their expected start time. The Request for Leave form (Appendix B) should then be completed on return to work.

If no contact has reasonably been made, the Headteacher has the discretion to make a deduction to salary for the unauthorised leave.

5. Responsibilities

It is the responsibility of the employee to provide notice of leave by completing a Request for Leave Form prior to the leave required (Appendix B) and ensuring the Headteacher or Line Manager is made aware of a request for leave as soon as reasonably possible. It is the responsibility of the Headteacher to ensure leave requests are dealt with in a fair, consistent and confidentially transparent manner. The Headteacher or Line Manager should record and monitor leave appropriately and may seek the advice of the appropriate Governor Committee for a decision to grant any other leave request that is not listed in this policy.

Headteachers/ Line Managers are responsible for ensuring that accurate records are maintained. They should also ensure that staff absences are regularly monitored and reviewed and that appropriate confidentiality is maintained.

Headteachers/ Line Managers are responsible for identifying patterns of absence within schools which may be an indicator of employee's personal or work related issues. Where such patterns are identified, Headteachers/ Line Managers can seek appropriate advice from HR on possible actions.

6. Misuse of Policy

The misuse of this policy may result in disciplinary action. The Headteacher has the responsibility to monitor levels of absence, if an employee unreasonably exceeds emergency leave within a school year, or is deemed to be falsely requesting leave that has been agreed by the Headteacher/Line Manager, action may be necessary under the disciplinary policy.

In the event that special leave is declined and an employee proceeds to take the leave then disciplinary action will be considered.

7. General notes

The list of 'close relatives' detailed in this policy is not exhaustive. Consideration should be made as to the impact a family member may have on the employee's life.

The legal definition for Time off for Dependants is "reasonable amount of time". For the purposes of this policy the term 'reasonable' should be decided by individual schools on a case by case basis, depending on the school staffing levels and the subsequent impact individual absences are likely to have on these.

8. Monitoring and Review

The Governing Body will monitor the outcomes and impact of this policy/procedure on an annual/biannual basis in conjunction with school representatives.

This procedure will be reviewed every 2 years.
